Fiscal Analysis

ASSUMPTIONS:

Department of Justice

1. This bill authorizes the Vietnam veteran license plate as a type of license plate available for eligible individuals to place on their motor vehicle(s).
2. Eligible individuals may currently obtain special license plates for the US Army reserve, Naval reserve, Air Force reserve, Marine Corps reserve, US Army, Navy, Air Force, Marine Corps, Coast Guard, disabled veteran, Purple Heart, ex-prisoner of war, Pearl Harbor survivor, legion of valor, or National Guard veteran.
3. The Vietnam veteran license plate would be issued with the same fees as all military plates.
4. It is unknown what number of individuals may exchange the Vietnam veteran license plate for another type of license plate. It is assumed the impact on revenues would be nominal.
5. Operating costs in FY 2006 would increase \$1,890 for computer programming analysis, design, testing and implementation for the new fee codes (16 hours programming \$1,520 plus \$370 for computer use time).
